Educational Qualification:

Bachelor of Science(B.Sc.):

University	: American International University-Bangladesh
Field of Specialization	: Computer Science
Credit complete	: 130 out of 130
Year of Passing	: 2017
Language of Instruction	: English
Program Duration	: Four Year
Status	: Complete

Higher Secondary Certificate:

Group	: Science
Board	: Rajshahi
College	: Government Shahid Bulbul College, Pabna,
Obtained CGPA	: 4.20 in scale of 5.00
Passed Year	: 2012

Secondary School Certificate:

Group	: Science
Board	: Rajshahi
School	: Pabna zilla school, Pabna
Obtained CGPA	: 5.00 in scale of 5.00
Passed Year	: 2010

Computer Programming Skills

Programming Languages : C,C++,Assembly Language Programming (IBM 8086 Microprocessor), JAVA,C Sharp ,ASP.Net, Python

Database   : My Sql, Database Management, Oracle, PLSQL
Web Development   : HTML 5,CSS 3,PHP,Java Script, AJAX, Jquries.

Achievements:

IT Essentials (Academy Connection ID: 29223559)**,**Introduction to ASP.net Development Core with virtual studio 2017**,**Microsoft Azure Fundamental **,**Teaching Sustainable Development Goals **,**Teacher Academy: Windows 10**,** Hour Of Code**,** Certified Microsoft Innovative Educator **.**

Internship:
Organization Name   : Microsoft Bangladesh Corporation.

Time Period   : Six months

Types   : Internship

Roll   : Project Development Intern

Responsibilities   : My work to develop an IoT based security System for vehicle. After that if my project selected it would be Startup company. This Internship funded by **Microsoft Bangladesh Corporation** and **Young Bangla** combine In this phase I develop a system by using ASP.net and Python Programming Language.

Projects:
1.Smart Vehicle Solution (using ASP.net, Python)
In this Secure System I used Asp.net and Python for developing. In my system a device (which programmed by Python) installed in front of vehicles drivers sit. This device detect drivers face and check if the driver authorized or not. If not, then device take a picture and send it to owner's account. Then the device lock the vehicles start system. Unauthorized person can not start the vehicle. Another feather of my device is it monitors drivers eye randomly if drivers eye close 30 second it vibrate the drivers sit. The owner of the vehicle can view unauthorized persons face in his account, edit drivers details, add drivers profile, monitor his vehicle and many more.

Project Video Link: https://www.youtube.com/watch?v=xDzIl_YHYsw

2.Sopner Baksho Foundation Website with Portal (PHP,HTML5,CSS3,Wordpress,Bootstamp)
I made this website associate with Tech Head IT Solution. This Website contains Wordpress Theme and Portal is made by raw PHP and others element. Reference: www.sopnerbakshofoundation.org

3.Payroll Management with global chatting system (PHP,HTML5,CSS3,Java Script, XML, Database)
In this system I used PHP,HTML5,CSS3,Java Script, XML, Database for developing. In this system has all types of payroll management information of an organization. In addition, I create a global chat room where employee can discuss the problem each other like facebook group chat method.

4.POS System for Super Shop (using C#, Database, LinQ)
In this system the product will be count in virtual base and make a sum of it like all Super Shop Management System. There are two types of login panel like Administrator, Employee. Employee can sell the product and view the product. Admin can add product, modify the data and manage employee login, create employee profile and many more facilities.

5.PDF Converter (all in one) (using C Sharp)
In this desktop application people can make word to pdf, pdf to word, pdf to jpeg, pdf to text file. And also they can view pdf file as pdf reader.

Distinguish
Thesis Project: Proposed Congestion Avoidance Algorithm: RUDA

Duration: 08 Months

Position: Our thesis project placed in top 18 thesis project among 120 project.

Extra Curriculum Activities

1.I am the Founder & Former president of **Sopner Baksho Foundation**.

(Sopner Baksho Foundation is a pabna based social welfare organization and it works mainly for street children. On the other hand, Sopner Baksho Foundation works in some environment issue and motivation session for youth.
