

## BIO

I have just completed my B.Sc. in Computer Science & Software Engineering and currently determined to establish myself as an UI/UX expert. I believe in dedication & commitment.

During my academic session, I have successfully combined my studies with organizational works, hosting events and other commitments showing myself to be self-motivated & organised. I really enjoy working in a team. In short, I am reliable, trustworthy and eager to learn. I have a genuine interest to work with user experience and make life easier.

## ENGAGEMENT & CONTRIBUTION

### Assistant General Secretary | AIUB Computer Club

January 2016 - November 2017

In this period, I was engaged over there as an AGS of Media & Publication and Executive of Public Relationship for separate semesters.

<http://aiubcc.org/peoples/executives>

### General Member | Mozilla Bangladesh

October 2016 - November 2017

My main activities were to work in different events of Mozilla as a volunteer and represent the community. I was engaged with many internal events such as Mozilla QA, Firefox Test Pilot Sprint, Web VR and MozActive AIUB.

### General Member | BASIS Student Forum

October 2014 - November 2017

My main activities were to work in events as a volunteer and represent the University and the Club. I had volunteered in a national event called Digital Bangladesh 2015.

## ACHIEVEMENTS

### Champion of Idea Prototyping Contest in AIUB CS Fest 2017

Organized by AIUB Computer Club in 2017.

**Semi-finalist of Hult Prize 2017 at American International University-Bangladesh** in 2017.

## SPECIAL TRAINING

### ICT GOVT. PROJECT - UX/UI DESIGN TRAINING (2018)

This training was arranged by **NextTech** about to understand the User Experience concept while prototyping and wireframing a user interface. This training was under govt. supervision.

### COMPLETION OF AIUB A2I PROTOTYPING CONTEST (2017)

This contest was arranged by **a2i** at AIUB Campus about to prototype a system through my analytical and designing skills with a unique concept.

### WORKSHOP ON GRAPHICS ART & ILLUSTRATION (2017)

This training was arranged by **MakerLab** at **EMK Center**. It was helpful for me to get some guidelines from senior professionals.
