Education

American International University-Bangladesh (AIUB) (2014-2018)

Bachelor of Science in Electrical and Electronic Engineering (EEE)

Key Skills gained:

- ❑ Advanced problem solving and numeracy skills.
- ❑ Analytical and conceptual thinking, with a conscientious approach to managing workloads.
- ❑ Accomplished communication skills, both written and verbal, developed through numerous projects and presentations.
- ❑ Proficiency in different simulation tools e.g. -Multisim, P-Sim, Proteus, P-Spice, Matlab, Microwind, DSCH etc. Proficiency in all areas of Microsoft Office, including Excel, Word and Power Point.

Dr. Mahbubur Rahman Mollah Collage (2010 – 2012)

Demra, Dhaka

Science Group

Higher Secondary School Certificate Exam

Titas Gas Adarsha High School (2000 - 2010)

Demra, Dhaka

Science Group

Secondary School Certificate Exam

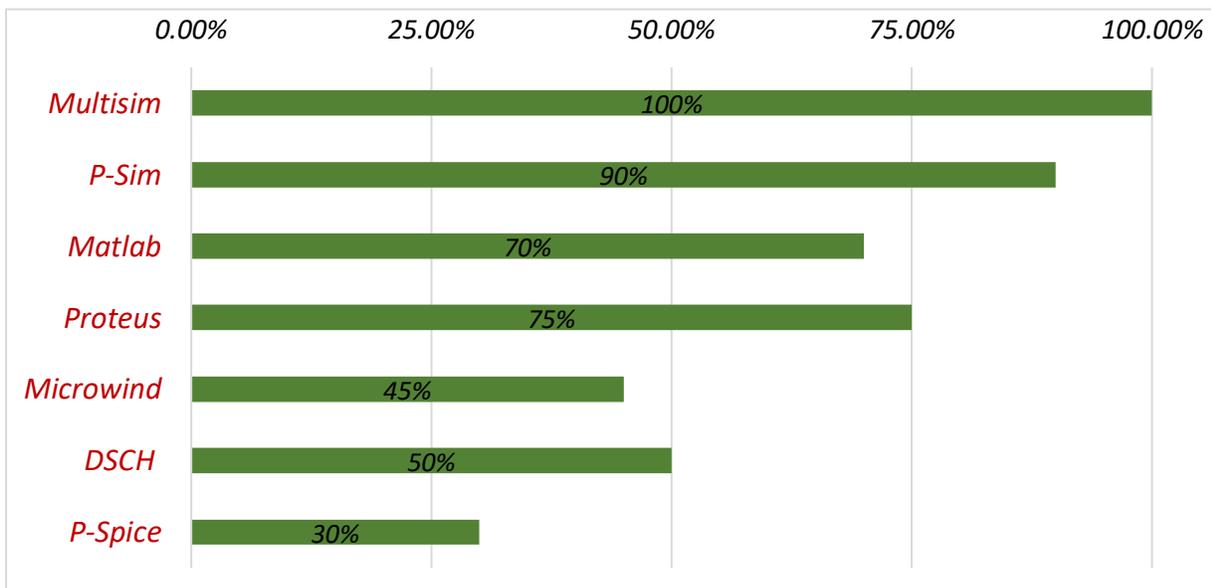

Career Objective

To obtain position, which will build my existing expertise, as well as offer me for personal and professional growth career in such a field that ensures the best of my knowledge, potentials, efficiency, and creativity. And to secure a position where I can efficiently contribute my skills and abilities to build up my professional career with stability and implement my knowledge through techniques in a challenging institution.

Career Summary

Professionally I found myself honest, responsible, dedicated, and persuasive. I believe in both smart and hard work, which can lead to maximum success. Other than that I found myself out spoken, outgoing with my friends and peers. I think I am capable of taking dictation.

Skills on Simulation Tools

Training

1. “Industrial Training Course” at Ghorashal Training Center Bangladesh Power Development Board, held from 24th November to 12th December 2018.

Participation Experience

- Day Long workshop on **Programmable Logic Controller** organized by Department of Mechatronics Engineering, Rajshahi University of Engineering & Technology on February 23,2018
- Day Long workshop on **Solid works: version 1** organized by Department of Electrical & Electronic Engineering, University of Dhaka on September 19,2018
- Seminar on **Nuclear Energy & its Protest in Bangladesh and Poster Fair** which was held on 27th December 2017 at American International University-Bangladesh (AIUB)
- Day Long workshop on **PCB Designing and Prototyping** organized by Department of Electrical & Electronic Engineering, BUBT on October 27,2018
- Day Long workshop on **Substation Planning, Designing & Commissioning**, organized by IEE AIUB Student Branch at American International University-Bangladesh (AIUB) on October 21,2017

Research Experience

Undergraduate Project on →

- *Low Energy Credit Alert System Using GSM For Prepaid Meter in Bangladesh.*

Projects

- Dual axis solar tracker based on arduino
- Arithmetic Logic Unit (ALU)
- Line following robot
- Soccer robot.

Leadership Skills

- 1) Ex - Member, **IEEE AIUB Student Branch**
- 2) Ex - Member, **ACES AIUB Student Branch**
- 3) Associate-Member, **The Institution of Engineers, Bangladesh (IEB)**

Extra-Curricular Activities

- ❖ Have experience in Event working with Reputed Company.
- ❖ Have experience for making local touring program.
- ❖ Member of Badhan Blood Donation Organization.
- ❖ Founder of MatriChaya Trust Fund (A social service organization).

Teaching Experience

Lecturer of ICT →

Engaged as **ICT** teacher in “Ever Green Academic Care” coaching center for higher secondary students from 2017.
