Job Objective

Looking for a challenging technical job that will utilize my technical knowledge in a collaborative environment. Seeking a job that will enhance my current knowledge and capability by which my organization will be benefitted. Since innovation is coming at the technology every day, I am ready to learn new thing.

Academic Records

Degree	Institution	Session	Score
BSc. In EEE	American International University-Bangladesh(AIUB)	2016-2019	3.67 out of 4
HSC	Govt. Yasin College, Faridpur	2013-2015	4.17 out of 5
SSC	Police Lines High School, Faridpur	2008-2013	4.56 out of 5

Paper publication

“Object Detection Based Security System Using Machine Learning and Raspberry pi “ titled paper has been accepted for publication at IC⁴ME² IEEE conference at Rajshahi University.

Project Works

- Face Detection Based Security System Using Machine Learning and Deep Learning [Thesis Project]
- Autonomous Robo Soccer Bot Using Arduino Uno[3rd year]
- Smart Traffic Light System [2nd year]
- Water Level Indicator Using BJT and LED [1st Year]

Skills

Computer:

- Good Internet skill & email literacy
- Experienced in AutoCad, MATLAB, MULTISIM, Microwind and PCB Design
- Proficient in computer operations (Windows 7, Windows 8.1, Windows 10 OS)
- Microsoft Office (MS Word, MS Excel, MS Powerpoint)
- Basic Photoshop, Video Editing

Communication:

- Good oral and written communication skills both in English and Bengali
- Good Interpersonal and communication skill
- Strong presentation skill

Hobbies

- Learning new technology
- Reading literature

Abilities

- Able to work under pressure
- Able to adopt in new environment
- Able to learn new things in short time

Extra Curricular Activities

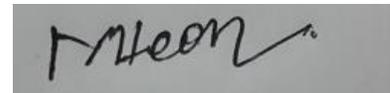

- Association with robotics work
- Participation of inter-university robotics competition
- Member of AIUB Oratory Club
