Cell # (+880) 1928890893

Address: 63/E, Katashur, Mohammadpur, Dhaka-1207, Bangladesh.

EDUCATION

American International University-Bangladesh

Degree: B. Sc. in Computer Science & Engineering

CGPA: 3.32

Year: 2016-2020

Government M.M College Jashore

Degree: Higher Secondary Certificate

GPA: 4.43

Year: 2015

Jashore Zilla School

Degree: Secondary School Certificate

GPA: 5.00

Year: 2013

PROJECTS

Flappy Bird – This project was a game. Which was built for lite user and also for children to give them a taste virtual game.

Tools and Technologies Used: OpenGL, C and C++

Tutor Finder – This project was built to help people to give information who are interest for taking or giving tuitions in the certain area and help people for easy findings in tuition.

Tools and Technologies Used: PHP, Java Script, MySQL Database.

Graph Simulation – It is a simple simulation of algorithm methods BFS and DFS. In this simulation can see how BFS and DFS functions work by giving any number set.

Tools and Technologies Used: Java, Visual Studio

Database Management Tools:

PHPMyAdmin, MySQL Server

Version Controlling:

Git

Others:

AutoCAD (Design & Simulation),

MS Word, PowerPoint

EXTRA-CURRICULAR

Cricket and Badminton Player

Reading Blogs

ACHIEVEMENTS

Certificate of “Cybersecurity Essentials” Course Completion

Certificate of “Digital Security Essentials” Course Completion

Certificate of “Troubleshooting in Operating System” Course Completion

Certificate of “Troubleshooting in Computer Security” Course Completion

Cloth Shop Management – It is a Shop database contains customer information's, employee information's, cloth item details, order details and essential data. By using a database, shop manager can easily analyze previous data and come to a decision in a few seconds which ensures a proper management.

Tools and Technologies Used: MySQL, C#, Visual Studio.

TRAINING

Running “Cisco Certified Network Associate (CCNA)” Training Program in American International University – Bangladesh (AIUB) Continuing Education Center.
