SUMMARY

I am a skilled developer with expertise in HTML, CSS, JavaScript, jQuery, MySQL, PHP, Laravel, and .NET MVC. My focus is on creating efficient and user-friendly solutions that deliver exceptional functionality and user experiences. I am committed to staying current with the latest technologies and continuously improving my skills. With my passion for coding and dedication to excellence, I am ready to make valuable contributions to your team.

PROJECTS

BeanBuzz - HTML, PHP, CSS, JS, jQuery, MySQL

The BeanBuzz coffee shop web application is built using HTML, CSS, JavaScript, jQuery, and MySQL. It offers an engaging user interface, seamless client-side functionality, and efficient data management for menu items, orders, and customer information.

[GitHub](#)

Hotel management - LARAVEL, REACT

This web application can be used for hotel management. It utilizes React for the frontend and Laravel for the backend.

[GitHub](#)

ZeroHunger - asp.net mvc

This web app has been developed using .NET MVC to automate and track the food collection process for an NGO. The system enables restaurants to open collection requests, assign employees for food collection and distribution, and track the details of all requests for efficient management.

[GitHub](#)

FootClub - asp.net mvc, react

The web application is developed using ASP.NET as the backend framework and React.js for the frontend. This combination enables robust backend functionality and a dynamic and interactive user interface. The web application allows for effective football club management and seamless merchandise sales to fans.

[GitHub](#)

NewAge - asp.net mvc

The news website is developed using .NET MVC as the backend framework. This allows for efficient management of news articles, user authentication, and user interaction. The backend handles data processing and retrieval, ensuring a seamless experience for users accessing the news website.

SKILLS

HTML CSS PHP LARAVEL REACT
MYSQL

C C++ JAVA · C# · ASP.NET MVC

EDUCATION

Bachelor of Computer Science and Engineering

American International University
- Bangladesh

06/2018 - Present Kuril, Dhaka

CGPA | **3.38** / 4.00

STRENGTHS

✓ Problem-solving

Good at overcoming drawbacks and solving problems in an innovative and fast way.

⚙️ Brainstorming

Creativity helped me excel in formulating exciting ideas that have a significant potential to come true.
