SKILLS

Programming Language
- C++
- C#
- Php
- Java

Framework
- ASP.NET
- Blazor
- Spring

Scripting language
- JavaScript
- React js

Database
- MySQL
- MSSQL
- Oracle Database

Cyber Security
- SQL Injection
- Cryptography
- Penetration Testing
- WAF Bypass
- LFI, XSS, RCE, CSRF

SOFT SKILLS

- Team work
- Problem solving
- Multi-tasking
- Analytical skills
- Responsible
- Leadership
- Communication

LANGUAGE

- Bengali
- English

EXTRACURRICULAR ACTIVITIES

AIUB COMPUTER CLUB

General member

11/2021 - 04/2023

HOBBIES

- Travelling
- Travel photography
- Computer games
- Badminton

OBJECTIVE

As a computer science professional with internship and junior software engineer experience, I bring strong problem-solving skills and a passion for creative projects. Seeking a challenging position to fully utilize my technical expertise, foster continuous learning, and contribute to organizational success. Eager to make meaningful contributions while enhancing my capabilities.

WORK EXPERIENCE

INTERNSHIP   (Jan 2023 - Apr 2023)

Quad Theory Ltd.

Skill: C#, ASP.NET, JavaScript, Blazor, MSSQL

- Worked on a cross-functional team to develop and maintain a web application for an international client.
- Created comprehensive documentation for project-related tasks, including system design, code documentation, and user guides, ensuring transparency and knowledge transfer within the team.
- Utilized Git for version control, collaborating with team members through platforms like GitHub to maintain code integrity and track changes.

JUNIOR SOFTWARE ENGINEER   (May 2023 - Jun 2023)

Quad Theory Ltd.

Skill: C#, ASP.NET, React js, JavaScript, Ajax, MSSQL

- Contributed to the development of React-based applications for international client. Leveraged my internship expertise in React js, Asp.Net to create interactive and dynamic web components, enhancing the overall user experience.
- Actively participated in troubleshooting and debugging activities, identifying and resolving technical issues to maintain the projects' stability and performance.
- Managed and optimized SQL databases for both projects, ensuring efficient data storage and retrieval.

EDUCATION

BACHELOR OF SCIENCE IN COMPUTER SCIENCE AND ENGINEERING

American International University-Bangladesh

2019- 2023

CGPA: 3.60 Out Of 4.00

HIGHER SECONDARY SCHOOL CERTIFICATE

Khulna Govt. Model School And College

2016 - 2018

Department Of Science

SECONDARY SCHOOL CERTIFICATE

Khulna Govt. Model School And College

2014 - 2016

Department Of Science

CERTIFICATES

CTO FORUM INNOVATION HACKATHON 2022
Position: Finalist
CTO ID: CTO-aed0

CYBER SECURITY
Verification ID: A46W1905S091

BLOCKMASTERS: THE ULTIMATE BLOCKCHAIN BOOTCAMP 1.0
St ID: NABB8SY1XC

IT ESSENTIALS: PC HARDWARE AND SOFTWARE
Networking Academy ID: 56590116

CYBEROPS ASSOCIATE
Networking Academy ID: 56590116
